Secondary Education Curriculum Guide

Secondary Education

The Secondary Education program leads to a Michigan Secondary Standard Teaching Certificate for teaching in grades 6-12. Some majors lead to K-12 certification and are attached to the Secondary Standard Teaching Certificate. These majors include Physical Education (Kinesiology Pedagogy), Music Education and Visual Arts Education (see note at bottom*).

The program for Secondary Education consists of University General Education Requirements (Competency Requirements, and Group Requirements), College Requirements, a teaching major, a teaching minor, and a sequence of professional education courses including one semester of pre-student teaching and one semester of student teaching. The policy of the College of Education is to provide teaching experiences in both an urban and a suburban setting.

College of Education Level 1: Completing University & College Requirements

Your admission to the College of Education begins with Level 1, which is the level for newly admitted freshmen, transfer students, and existing WSU students that change their major to Elementary Education or Secondary Education or Special Education. This level is the beginning of your journey to become a certified teacher. You will focus on coursework to meet the university's General Education Requirements and courses to build your content knowledge of subjects that you may teach. During this time, you will explore your decision to become a teacher by completing 40 hours of group work with children and by completing some coursework in Teacher Education. This is also a time to meet the requirements for the next level of admission by completing Level 2 admission requirements.

College of Education Level 2: The Professional Education Sequence

Level 2 is the time when you transition from student to professional as your journey to becoming a teacher nears completion. In Level 2 you will complete coursework in our Professional Education Sequence to learn how to teach, to differentiate instruction, to assess student learning and to deepen your knowledge of the profession. At the heart of Level 2 are clinical experiences: Experiences in real classroom contexts that allow you to see, hear, and reflect on the dynamic character of urban classrooms. By the end of Level 2 you should have completed all coursework requirements, passed your Michigan Test for Teacher Certification exams and completed student teaching. You should be ready for recommendation to the State of Michigan for teacher certification to begin your career in the teaching profession.

Important Restrictions

- **No grade below a "C" may be used to meet College Requirements or courses in the major, minor, and the Professional Education Sequence. Note: All students must receive a "C" or higher in Basic and Intermediate Composition if these requirements are completed or transferred in Fall 2008 or thereafter. A grade of "C-" is not acceptable.**
- **Not more than 64 semester hours from a two-year school or schools will apply toward graduation.**
- **This curriculum guide is subject to change based on WSU start date.**

* **Students majoring in Health, Music Education, Physical Education, and Visual Arts Education are not to follow this guide. Please consult the appropriate curriculum guide for your major.**

Competency Requirement	Course(s)	Alternate Ways to Meet Competency	Completed By	Done
Basic Composition (BC) (Grade of "C" or higher if completed or transferred in Fall 2008 or thereafter)	Choose one: ENG 1020, or ENG 1050	A, B	30 hours	
Intermediate Composition Post-2018 (ICN) (Grade of "C" or higher if completed or transferred in Fall 2008 or thereafter)	Choose one: AFS 2390, ENG 2390, ENG 3010, ENG 3020, or ENG 3050	A, B	60 hours	
Oral Communication (OC)	Choose one: COM 1010 or ENG 3060	A, B, C	60 hours	
Quantitative Experience (QE)	Choose one: BA 1200, BA 2300, FPC 1010, MAE 1000, MAT 1000, MAT 1050, MAT 1110, MAT 1120, MAT 1500, MAT 1800, MAT 2010, MAT 2020, MAT 2210, PS 1050, STA 1020, or THR 2651, PHI 1070	A, B, C, D	30 hours	
Wayne Experience (WE) (Only required for first year students)	Choose one: BA 1100, BE 1060, FPC 1020, FYS 1010, HON 1110, KHS 1010, or RSE 1010	NA	30 hours	

Alternative Ways to Meet Competency Requirements

A	Transfer Credit	Transfer credit received for successful completion of a comparable course completed with a grade of C or better at another college or university. Transfer equivalencies can be found at http://transfercredit.wayne.edu/ .
B	Advanced Placement (AP), College Level Examination Program (CLEP), or International Baccalaureate (IB)	There is no limit to the number of transferable credit hours that may be granted for any combination of AP, CLEP, and IB tests. For more information and to view score and credit equivalency charts please go to http://transfercredit.wayne.edu/ .
C	Wayne State University Exams	For more information about Competency and, Placement examinations, contact Testing & Evaluation and Research Services in the Student Center Building, Room 686, 313-577-3400, e-mail: testing@wayne.edu ; website: http://www.testing.wayne.edu .
D	Nationally Standardized Test	Obtaining a score of 25 or better on the ACT math, a 580 or higher on the SAT math before March 2016 or a 600 or higher on the SAT math March 2016 or later. An official score report is required.

Michigan Transfer Agreement (MTA)

Students transferring to WSU with MTA in fall 2018 and beyond will have satisfied **all** of Wayne State General Education requirements. All college, program, major and minor requirements must also be completed (at least 120 credits) for students who fulfill the MTA requirements.

Your community college will provide detailed information, including approved courses, for completing the MTA. We recommend that you review our transfer plans and consult your community college advisor about fulfilling MTA requirements and how to request an MTA transcript evaluation.

University Group Requirements (Inquiry Courses)

Courses may only be used to satisfy one inquiry area even though some courses appear in several categories.

Where a choice among courses is possible to meet Competency Requirements, Group Requirements, and College Requirements, the College of Education recommends those courses that would also fulfill a requirement for a major or minor in that subject. These courses are denoted in **BOLD**. Group requirements for Natural Science and Civic Literacy are not found on this page and are fulfilled by College Requirements listed on page 4.

Many Inquiry requirements can be met alternatively by items A and B on page 2.

Inquiry Requirement	Courses meeting inquiry requirements	Done
Natural Science Inquiry (NSI) (2 Courses Required)	Fulfilled by BIO 1030, BIO 1050, BIO 1500 or BIO 1510 and PSY 1010, or PSY 1020	See pg 4
Laboratory (NSIL)	Fulfilled by a Natural Science course if completed with the appropriate lab (including PSY 1010 if completed at WSU in or after Fall 1987) or another Natural Science course if completed with the appropriate lab.	
Civic Literacy Inquiry (CIV)	Fulfilled by PS 1010 , or PS 1030	See pg 4

Important Information for Education Students

Please Read

► Undergraduate Advising

To determine your progress in meeting all program requirements, please meet with your assigned College of Education Advisor in Academic Services.

The Division of Academic Services in Room 489, College of Education has open advising each Tuesday from 9:00 am to 4:00 pm. If you arrive by 4:00 pm, you are guaranteed to see an advisor.

To schedule an advising appointment for another day, please do so online at: <https://advisingworks.wayne.edu>.

► **Honors Program:** Students may pursue Departmental Honors in Special Education. A minimum 3.30 cumulative GPA and additional coursework is required. For more information, please discuss with your academic advisor.

► **PUBLIC ACT 96 of 1995:** It is a criminal offense to use, or attempt to use, a college or university transcript that is fraudulently obtained, or forged, or to use other fraudulent credentials to obtain a teacher, school administrator, or school psychologist certificate or to obtain State Board approval.

► **PUBLIC ACT 335 of 1993 Sec. 1531b.** Effective July 1, 1995: Applicants to the teacher certification program must demonstrate successful group work with children. Documentation of this group work is required to enter the Teacher Certification Program. A total of 40 hours of successful group work with children is required. The State defines a group as three (3) or more children (not your own) between the ages of 3 and 18. Students are reminded to find a group work experience that is compatible to the age group they plan to teach. The group work experience needs to be recent (within the last 5 years) at the time of admission to the teacher certification program.

Some examples of group work include: Camp counselor, group tutor, playground director, religious teacher, scout leader, substitute teacher, teacher assistant, team coach or youth leader.

► **PUBLIC ACT 68 of 1993 Sec. 1230:** This act requires public and non public schools to conduct a criminal history check of new teachers, school administrators, school psychologists and other personnel required to hold State Board of Education approvals. Students interested in becoming certified teachers must supply a statewide criminal history check prior to admission to the College of Education and again prior to applying for certification.

If you have criminal background issues, please provide a narrative describing the incident(s) from your perspective for review by a committee in the College of Education. If you do not provide this information at the time of application, your admission/certification will be delayed.

- Have you ever accepted responsibility in a civil infraction (excluding speeding tickets) or been convicted of (pled no contest to) a misdemeanor or felony?
- Have you had a teaching, school counselor, school psychologist, or school administrator certificate suspended or revoked?
- Is there currently action pending against your teaching, school counselor, school psychologist, or school administrator certificate?
- Have you ever surrendered or nullified a teaching, school counselor, school psychologist, or school administrator certificate?

A criminal history check, by name, without fingerprints may be accessed for a fee at http://coe.wayne.edu/pdfs/criminal_history_new.pdf

Any person seeking admission to a teacher certification program who has been convicted of any offense must provide certified copies of all documents relative to his/her conviction, including a "Judgment of Sentence" or "Register of Actions". This document may be obtained from the court where the matter was adjudicated. After review by the College of Education Committee, the applicant will be notified in writing of the Committee's decision.

Note: The State Board of Education may refuse to grant a teaching certificate to an applicant convicted, as an adult, of an act of immoral conduct contributing to the delinquency of a child, or a felony conviction.

► **PUBLIC ACT 18 of 2003 Sec. 1531d.:** This act states that "beginning July 1, 2004, the superintendent of public instruction shall not issue an initial teaching certificate to a person unless the person presents evidence satisfactory to the superintendent of public instruction that the person meets the following: Has successfully completed a course approved by the department in first aid and cardiopulmonary resuscitation... and holds valid certification in these topics issued by one of the following organizations approved by the department [Michigan Department of Education]:"

*American Heart Association • American Red Cross • American Safety and Health Institute • Emergency Care & Safety Institute
Lansing Area Safety Council • Medic First Aid • Safety Council of Southeast Michigan*

Students must submit the following documentation to the College of Education when applying for teacher certification (all of the following must be current):

Certification in Adult CPR • Certification in Child CPR • Certification in First Aid

Certification in automated external defibrillation (AED) is recommended, but not required.

► **It is the student's responsibility to become familiar with and to complete all requirements for the program.**
